Race Procedures

Cars will line up for the SPORTSMAN 150 full of fuel and will be minimum legal weight.

A mandatory caution will be thrown at lap 75. At this point we will run pace laps until the field has been verified in proper order and then we will stop along the inside lane on the front stretch.

Cars MUST remain on the track during the mandatory caution. Any cars leaving the track to go to the pits after caution has flown will be assessed a TWO lap penalty. Cars that need to go to the pits after the mandatory caution will have the opportunity when the pace laps are underway before restarting the race. These cars will re-join the field at the rear.

Two pit crew members are allowed to go to the front stretch to service the cars. Fuel, Tire pressure, jacking bolts (provided they are accessible from outside car), windshield cleaning, driver refreshments etc..... Under no circumstances are the hoods to be lifted or work to be done under the hood.

Cars one (1) lap down will remain in line for restarts until (or around) lap 120. Cars multiple laps down will restart at the rear of the field on each restart.
