Hello New Men's Washroom!

Thanks to Jim's Waste Management, DMR Auto Sales, Thomas Parker, Brian Parker, Tony McFarlane, Mike Reed, Scott Kennie and many others, Speedway 660 will have a completely refurbished washroom for August 2020.

Movie Magic!

Rucker's Reels has the screen up, projection booth complete and local food trucks on site. Get all your details at:
www.facebook.com/ruckersreels

Walking a Fine Line!

Owner Max Roy was up bright and early on this day - laying some fresh paint. Nothing like a freshly painted track.

◆ COVID

Due to New Brunswick Government regulations, Speedway 660 is required to record contact information of all our guests.

◆ Parking

Haulers arriving the night before race day must park in the overflow parking between campground and the main road. Line up so you can be routed to the gate on race day.

◆ 50/50 Draw

Due to social distancing efforts, the race day 50/50 draws are suspended until further notice.

SPIRIT OF RACING! it can hit you in the feels...

A few of the other drivers told Clifford they would take his car to their garage and make the repairs. What he didn't know is, they made those repairs along with a few more, including new paint and decals.

They surprised him with the car and Clifford hit his first 2020 race - gaining 2 seconds per lap over previous years' lap times! His smile said it all!

Great Job Sharpshooters! Huge thanks to Jim Harnish for spearheading this awesome project!

Victory at Last!

Randy Titus hoisted the Canadian Flag for Canada Day as a kick off to replacing victory lane.

It was a hot/muggy day but thanks to Scott Kennie, Randy Titus, Mike Reed, Brent Roy and Max Roy - victory lane is better than ever!

If you are interested in victory lane advertising, contact Brent Roy at 506.470.3881.

Sharpshooter Spirit

Clifford Biggart runs a low budget 82 racing team of one in the Fredericton Gun Shop - Sharpshooter division.

Clifford races for the pure joy of just being on the track. He was not scheduled to race this year as his car needed a few repairs beyond his reach.
